## Day 11 — Ephesians 5

1. As a group, come up with 10 ways that light is beneficial in our world?
2. *Read Ephesians 5* with your group. In what ways are Christians able to be lights in a dark world?
3. When you look at your life, and the light that you shine, do you feel that you shine Christ light more on people, or are you shining your own light on people? *If you are not shining the light of Christ, then you are not shining a light at all, and therefore in darkness. Would you agree or disagree with this statement? Why?*

## Devotionals

### **Call to Action:**

Being isolated can make it difficult to shine the light, since we are all being asked to stay home. As a group, come up with ways that you can shine the light of Jesus into a dark world, and then commit to doing so.

### **Closing Prayer:**

“Dear Jesus, thank you for rescuing me out of the darkness. Thank you for being the sacrifice so that I can live in Your light. Give me the courage to be a light to the world for you. Help me show others your way, and help me not walk in darkness, but walk in your light. Amen.”

### **Trick Shot Challenge:**

Send us your best trick shots. Take a video of you or someone in your family making an extravagant shot with a basketball, football, soccer ball, ping pong ball, or whatever you so choose. A couple of rules: try to keep the videos to under 30 seconds and videos that have been edited will be disqualified. Send all submissions to [centerchristian03@gmail.com](mailto:centerchristian03@gmail.com). The winners will be picked next Sunday.
